

SIEMENS mobile

- Industry: Mobile phone unit of multi billion EUR industrial conglomerate
- Region: Germany
- Value Proposition: Manage contract manufacturers and key suppliers to provide visibility and synchronization in a multi-tier supply chain environment
- Solutions Delivery: Collaborative Supply Chain Manager
 - Supplier management, multi-tier supply chain visibility at the PO level
 - Siemens is SAP's largest customer and a major i2 & CommerceOne user but chose Adexa to solve this business issue
- Results:
 - Reduced inventory, online collaboration among trading partners
