

## *Taiwan Semiconductor Mfg Company*

- Industries: \$5 billion semiconductor foundry (#1 in the world)
- Region: Asia, US
- Value Proposition: Provide global visibility of supply chain to improve customer service, reduce planning cycle time, reduce costs
- Solutions Delivery: Supply Chain Planner, Plant Planner
  - Finite planning & scheduling including dynamic, concurrent planning
  - Weekly to daily planning including what-if analysis
  - Adexa 3-5x faster solve time than competition
- Results:
  - Reduction in Cycle Times, Reduction in Work In Progress, Increase in Delivery Performance
  - Improved accuracy of customer delivery dates

Real Solutions. Measurable Results.
